

The Department of Conservation & Recreation - Division of Watershed Management invites you to attend:

The Quabbin Watershed Advisory Committee

will host the

The Annual Quabbin Land Management Workshop

Monday, June 16, 2008 from 7:30 to 9:00 PM

Quabbin Visitor's Center - Belchertown, MA

This is a public meeting to present the Division's progress in Fiscal Year 2008 on the goals and objectives in the recent Quabbin Land Management Plan, and to discuss and seek public input on the planned program for Fiscal Year 2009.

Introduction - Bill Pula, Regional Director, Quabbin/Ware River

Presentations to include:

Silviculture – Overview and plans for FY 2009 – Herm Eck, DCR

Creating early successional forested habitat – Dan Clark, DCR

Deer management results from 2008 hunt/plans for 2009 – Ken MacKenzie, DCR

Moose research at Quabbin – Kiana Koenen, DCR

A brief update on the regional gull study – Dan Clark, DCR

Highlights from other wildlife programs – Kiana Koenen & Ken MacKenzie, DCR
